RSWR Money

appears as a taboo and "unspiritual" topic, and at the same time money deeply shapes our lives, our relationships, and our communities. In the Money Cafe we explore our personal and ancestral histories with money, how this shows up in our relationships, and choices we can make as we let our lives speak.

WE ENCOURAGE YOU TO CONSIDER THE FOLLOWING QUERIES:

1 How has your relationship with money evolved over the course of your life?

2 What kind of money conversation have you found difficult to have with others? Is there someone in your life you would like to have an honest conversation about money with?

3 What was a formative and/or challenging decision you made around money, and what did you learn from it?
