

Dear

*I have made a donation in your honor to Right Sharing of World Resources (RSWR). This donation will directly benefit women's groups in Kenya, India, Guatemala, and Sierra Leone, as well as encourage others to embrace our shared responsibility for one another and for that of the Earth.*

*RSWR is a Quaker organization founded in 1967. For over fifty years, RSWR has been doing as William Penn suggested: "Let us then see what love can do".*

*The holidays are a season of joy, love, and giving. With this gift, you and I are celebrating all three better than any other gift I can imagine.*

*In Gratitude,*

*Right Sharing of World Resources (RSWR) is an independent Quaker not-for-profit organization called to the right sharing of world resources, from the burdens of poverty and materialism into the abundance of God's love, to work for equity and a life of dignity for all through partnerships with our human family throughout the world.*
